ADDRESS OF LANDLORD _____ PHONE # _____

The meter is read at 1ST of month. A base residential rate of \$20.00 (inside town) or \$40.00 (outside town), and/or base business rate of \$20.00 (inside town) or \$40.00 (outside town) will be charged each month if there is no water usage. Sewer rates are the same as water rates.

Payment is due by the 5th of the following month to avoid a 10% penalty. **IF PAST DUE PAYMENT IS \$100.00 OR MORE, THE ACCOUNT IS SUBJECT TO DISCONNECTION OF SERVICE** and the account will be charged a \$100.00 reconnection fee. Payment may be made in person at Town Hall, in the deposit box located at front of building or via town website: www.townofboonesmill.org or via US mail (must be in the office on or before the 5th to avoid the 10% penalty.)

When moving, it is the DEPOSITOR'S responsibility to have the water taken out of your name. When the Town is notified, a meter reading is taken, the water is turned off, and the account is taken out of your name. The final bill will be mailed in the next regular billing cycle. It is very important to provide a correct forwarding address. The final bill may be deducted from the deposit. If the bill is more than the deposit, the depositor is responsible for the difference. If the deposit is more than the final bill, the balance will be refunded to you.

The water meter is the property of the Town of Boones Mill. Severe penalties apply for tampering with the meter.
